

April 2023 Cable Co-op Newsletter

Message from the General Manager

I am proud to be working for our members and our Board of Trustees. Cable Co-op is moving forward to improve services, keep prices low, and add valuable products for our members. We have not increased rates since 2021. Cable Co-op continues to change in a positive direction. We are proud of the services we offer, the support we provide, and our ability to help our community.

Cable Co-op is upgrading our entire network to a Fiber Enriched Network (FEN).

For more detailed information on the FEN project please visit

<https://www.oberlin.net/fiber-enriched-network/>.

Our Advanced Wi-Fi is a great value-added service for our members. The best technology, best support, and best price in the industry. For more information please

visit: <https://www.oberlin.net/advanced-wi-fi/>

Sign up for email billing and/or auto-pay and help save our trees! You can also pay online with your Oberlin.net internet service. Call us for help getting started.

Thank you for your membership. Please know we value you and use our resources in the best interest of you and your community.

Cable Co-op

Your Community, Your Cable Company!
