

December 2024 Cable Co-op Newsletter

Special Announcement

A Holiday Season Gift for Our Membership

How does Cable Co-op top the fact that we have not increased internet rates for 4 years? Easy, we are increasing speeds again!!! This is the seventh, yes 7th, time we have increased speeds while maintaining the same price. These increases will go into effect December 1st, 2024.

Level 1 is now 40/5 (was 25/3), a 38% increase in bandwidth.

Level 2 is now 75/7 (was 50/6), a 31% increase in bandwidth.

Level 3 is now 500/22 (was 400/22), a 19% increase in bandwidth.

Level 4 is now 750/30 (was 700/30), a 6% increase in bandwidth.

Level 5 (1 Gbps/50) with Advanced Wi-Fi can receive Experience IQ for FREE!
